Salon du livre de Fredericton 21-24

Fredericton, July, 2026

The Honorable Jean-Claude D'Amours
Minister of Intergovernmental Affairs
Minister responsible for Immigration
Minister responsible for Military Affairs

Dear Minister,

Pursuant to subsection 11(1) of "Centre communautaire Sainte-Anne Act" and on behalf of the Sainte-Anne Community Board, I am pleased to submit the CCSA Annual Report for the year ending on March 31, 2025.

Sincerely,

Robert Duguay
Chair
Sainte-Anne Community Board

CENTRE COMMUNAUTAIRE SAINTE-ANNE IN FREDERICTON: A genuine Francophone institution in the heart of the capital.

MISSION

The Centre communautaire Sainte-Anne seeks to engage the Francophone community of greater Fredericton while promoting its development, expansion and visibility.

VISION

The Centre communautaire Sainte-Anne is a catalyst for the development, engagement and promotion of the Francophone community in the greater Fredericton area.

Plan stratégique 2022–2026 du CCSA [2022–2026 Strategic Plan], available at centre-sainte-anne.nb.ca

The Centre communautaire Sainte-Anne (CCSA) is a Crown corporation responsible for the administration, on behalf of the Government of New Brunswick, of a community centre serving primarily the Francophone community in the Fredericton area.

Officially opening its doors on June 10, 1978, the CCSA was the first school-community institution of its kind in Canada. It is administered by the Sainte-Anne Community Board, guided in turn by the *Le Centre communautaire Sainte-Anne Act*.

When the CCSA first opened nearly 50 years ago, the Francophone population in New Brunswick's capital region numbered around 3,000. Today, this figure exceeds 11,000, proof that the Francophone community served by the CCSA continues to grow.

Over the years, the CCSA has become a leader in innovation and in community and cultural development in a minority setting. It offers a wealth of French-language programming and, with the invaluable support of numerous accredited organizations and partners, promotes the Francophonie in the Fredericton area.

The CCSA...
Living in French in the heart of the capital region!

Message from the Chair

It is with great pride that I present the 2024–2025 annual report of the Centre communautaire Sainte-Anne (CCSA), a year defined by transition, engagement, and advocacy for our collective vitality.

The year was marked by significant changes within our leadership. Last June, we welcomed four new members to the Sainte-Anne Community Board: Sylvie LeBel, Danielle Léger, who began her third term, Céline Cormier, and Norelice Mboutou. Ted Parisé joined the Board later in the year. I would also like to recognize the work of my predecessor, Louis Turgeon, who successfully led the implementation of our 2022–2026 strategic plan. This renewal was further strengthened by the arrival of our new Executive Director, Pascale Bergeron, whose management experience is already proving to be a valuable asset for the future of our institution.

One of the year's highlights was our participation in the provincial pre-budget consultations. We reminded the government that seven years of frozen funding have created a significant gap that must be addressed in order to fully support the CCSA's mission. Alongside our Executive Director, I reiterated to Minister Robert Gauvin the importance of sustainable and adequate funding. We will continue our efforts to ensure that provincial support truly reflects the needs of our community.

Our community's cultural vitality was on full display this year through the success of the *Salon du livre de Fredericton* (Fredericton Book Fair) and the Acadian Day celebrations, two important moments of collective pride. Through the exhibitions at the Galerie des Bâtisseurs and a diverse performance program, the Centre continues to establish itself as a dynamic hub that responds to the aspirations of our families and seniors.

As the CCSA prepares to celebrate its 47th anniversary next June, we have already begun planning for its major 50th anniversary in 2028. We want this celebration to meet your expectations, and we will soon invite you to share your ideas so that this event reflects our pride and resilience.

Finally, I would like to warmly thank the members of the Board, our dedicated staff, and the many volunteers who work tirelessly to help our language and culture shine.

Together, we will ensure the sustainability and continued growth of our Centre.

Robert Duguay

Message from the Executive Director

My first full year as Executive Director of the Centre communautaire Sainte-Anne (CCSA) has given me the opportunity to see the strength of our Francophone community firsthand. Since joining the Centre in March 2024, I have discovered a community that is engaged, generous, and determined to sustain the French language, culture, and services in our region.

This year, we continued to make the necessary investments to provide safe, accessible, and welcoming facilities. Work was completed on a section of the roof on the École Sainte-Anne (ÉSA) side of the building, renovations began on an exterior wall of the Au p'tit monde de Franco daycare, and improvements were made to sidewalks and parking areas. These initiatives enhance the experience of the many people who use and visit the CCSA.

This year's cultural initiatives demonstrated our community's ability to come together. The first edition of the Fredericton Book Fair, held in February 2025, welcomed more than 600 visitors and numerous authors. This success confirms the strong interest in Francophone literature and opportunities for connection in the region. The Centre also strengthened its role as a meeting place for Francophone organizations and services. Our Community Liaison Officer for newcomers worked closely with CAFi to support the integration of Francophone adults before her responsibilities were officially transferred to the organization.

We also wanted to include young people in our programming. Through the *Flash Culture* initiative, three ÉSA students took part in discussions with our team and contributed to selecting performances that may appeal to youth. Their perspective meaningfully enriches our work.

The Acadian Day celebrations also highlighted the strength of collaboration. The Centre's organizations, community partners, the City of Fredericton, and surrounding municipalities joined forces to welcome several hundred participants. This celebration reaffirmed the CCSA's role as a gathering place for the Francophone community in the Capital Region.

However, this momentum must not overshadow a concerning reality: CCSA funding has been frozen for seven years, despite inflation. During the provincial pre-budget consultations, Chair Robert Duguay and I raised this issue with Minister Robert Gauvin and called for funding that reflects our reality. These efforts have begun to yield results: the CCSA received an increase to its operating budget for the 2024–2025 fiscal year. This progress is encouraging, but we will continue our efforts to secure sustainable, predictable funding that meets the growing needs of our community.

We also emphasized the urgent need to improve access to health services in French in our region, an issue that we continue to monitor closely with the Horizon Health Network.

I sincerely thank our team, volunteers, partners, and everyone who brings the Centre to life each day. Your work and your commitment to the CCSA enable it to remain essential to Francophone life in the Capital Region.

Pascale Bergeron

* The *2024–2029 Healthy Early Years* program aims to provide activities, resources, and support to francophone families with children aged 0 to 6 living in a minority-language context, in order to promote their well-being and development. Developed in partnership by the Centre communautaire Sainte-Anne, the Carrefour communautaire Beausoleil in Miramichi, and the Association régionale de la communauté francophone de Saint-Jean, the three organizations serve as project leads in their respective regions and collaborate to share their resources, expertise, and tools. The program also includes training and professional development opportunities for early childhood educators and practitioners. This collaborative approach strengthens the support offered to families while contributing to the development of a strong francophone early years network.

Welcome and Customer Experience Department

(formerly Operational Services Directorate)

The CCSA offers its organizations and partners the free use of its rooms. The services of the technical director and the bar service are also available free of charge.

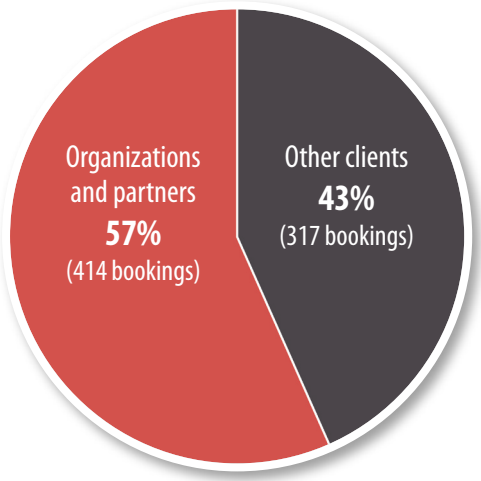

As part of its activities, the CCSA's main focus is to meet the needs of its organizations and partners and to support them in their activities and initiatives. The community can also enjoy access to the CCSA's facilities at fair prices.

NEW ROOM BOOKING MANAGEMENT

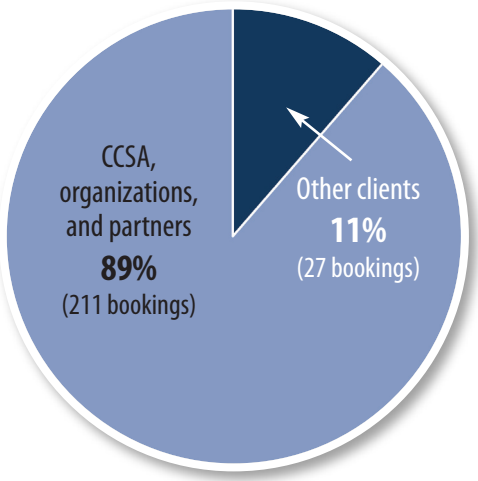

In 2024–2025, the CCSA continued its commitment to providing warm, accessible, and client-centred service to organizations, partners, collaborators, and the community. The year 2024 marked an important milestone in the management of its room bookings with the full implementation of a new reservation system, effective September 2024. This new system enables more efficient booking management and allows users to view room availability directly on the CCSA website. The program remains under development to ensure ongoing improvements that meet the needs of the CCSA.

Room booking statistics (September 2024 to March 2025)

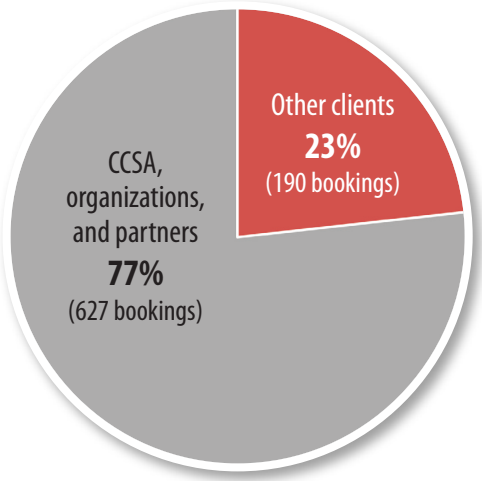

Gymnasium usage overview

Bernard-Poirier Theatre usage overview

Meeting rooms and school cafeteria usage overview

MAIN CHALLENGES ENCOUNTERED

- Limited capacity — The increase in attendance highlighted the physical limitations of the CCSA's facilities, particularly regarding multipurpose rooms and gymnasiums.
- Difficulty engaging youth — Younger generations are participating less in traditional community activities.
- Lower participation from new populations — Newcomers to the region are still participating very little in CCSA activities.

OCCUPATIONAL HEALTH AND SAFETY ACHIEVEMENTS

- Complete revision of the CCSA emergency plan
- Reactivation of the Joint Health and Safety Committee
- Installation of sharps disposal boxes in two washrooms (men's and women's)

YOUTH TRAINING AND DEVELOPMENT

- In March 2025, the technical director offered, for the third consecutive year, a three-day technical camp to approximately six students from École Sainte-Anne (ÉSA).
- ÉSA now has its own student technician team at the Bernard-Poirier Theatre; they were trained by the CCSA's technical director.

FUTURE DIRECTIONS

- Implement annual training for front desk staff on client-centred approaches and quality customer service
- Introduce an online feedback form allowing users to share their experiences at the CCSA
- Modernize infrastructure, the reception area, and selected meeting rooms
- Adopt eco-friendly practices, including replacing disposable plastic cups with washable cups in meeting rooms.

CLIENTS

- Accredited organizations, partners and collaborators of the CCSA
- Government departments and agencies
- The greater Fredericton community and beyond

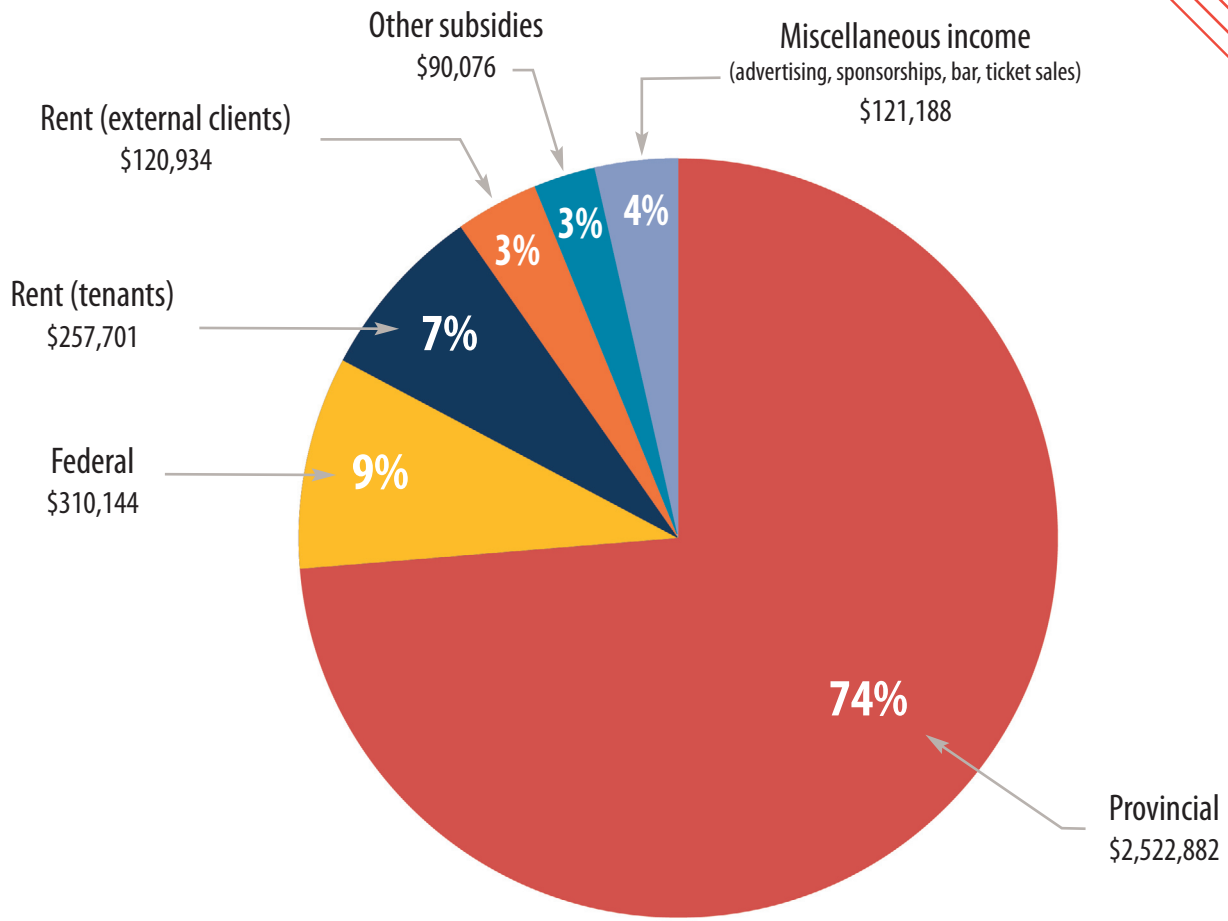

SERVICES

- Rental of numerous meeting rooms
- Rental of Bernard-Poirier Theatre
- Rental of two gymnasiums
- Rental of two cafeterias
- Bar service
- Box office
- Photocopying, printing, faxing

Infrastructure

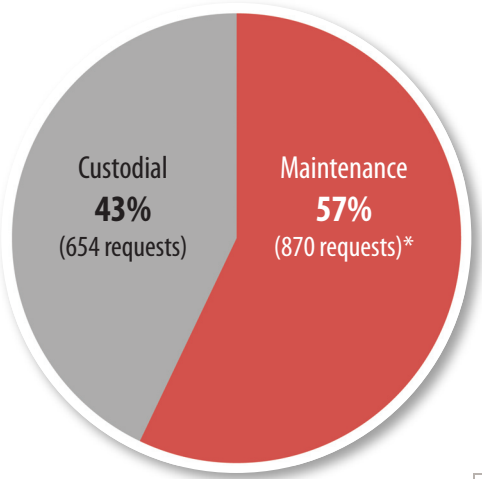

The maintenance team plays a strategic and essential role in managing and ensuring the proper functioning of the CCSA's facilities, which cover more than 275,000 square feet. Made up of experienced and qualified staff, the team is responsible for preventive and corrective maintenance, minor repairs, and the installation of equipment required to maintain a safe, functional, and compliant environment for users, students, and staff.

Throughout the year, the team carried out a wide range of improvement and optimization work to enhance facility performance and extend the lifespan of the infrastructure. This included maintenance of ventilation and heating systems, plumbing and carpentry repairs, and various technical inspections. The team also monitored the overall condition of the building and coordinated specialized interventions by external contractors.

The maintenance team demonstrates strong versatility, adapting efficiently to unexpected situations and the evolving needs of the centre. Their technical expertise, adaptability, and commitment to quality make them a key component in ensuring the proper functioning and safety of our facilities.

Through a methodical and proactive approach, the team contributes to the long-term durability of the infrastructure. Their work ensures not only the continuity of activities, but also the safety, comfort, and overall quality of the environment offered to the entire community.
